

Seasonal Items Guide – Updated for Spring 2012

Many consignors don't realize the variety of items we accept until their first shopping/selling experience with The Mother Load Sale. Sometimes it's hard to know which items should be brought to the spring/summer or fall/winter sales. Below is a detailed list of what can/can't be accepted at our SEASONAL sales. Because of limited floor/rack space, these guidelines must be strictly enforced by our staff. Remember, don't fret, another Mother Load Sale is only six short months away.

General Items accepted at The Mother Load Sale YEAR ROUND

- **TOYS** are the best sellers! We estimate that 90-95% of the toys brought to each sale are sold. The only seasonal exceptions concern pool toys and snow toys. (see list)
- **Infant/Toddler Equipment** sells great! For example: cribs, beds, mattresses, strollers, carseats, bathtubs, walkers, bouncy seats, etc.! Make sure all is as clean as "brand new."
- **Infant Supplies:** Bottles, feeding bowls/utensils, boppy pillows, head rests, diaper bags, breast pumps, etc.
- **Bedroom Decor:** Comforters, blankets, pictures, mobiles, crib sheets, lamps, rugs, wall-hangings, etc.
- **Education/Fun:** Books, VHS or DVD videos, computer games, board games, music CD's or tapes.
- **Man Cave** items are YEAR ROUND
- **Maternity** clothing/items are YEAR ROUND
